

**Are you ready for the next step?**

Q. What's the next step? How do we design and launch a NEW AGE, grassroots movement for "Planned, Positive Social Change"?

A. By connecting members of the Creative Class and forming "Alliance Networks".

**What are the fundamentals of FUN?**

- Techno-Utopian Prototypes
- Multitasking
- Co-Mentoring
- Search for a **BETTER WAY** to solve problems
- Mutual Augmentation
- Challenge
- Collaboration on a Grand Scale
- Top-Notch Communications Techniques
- Peace-Waging Machines
- Thousands of Special Interest Groups (SIGs)

*Collective Intelligence can make the difference between Utopia and oblivion!*

**ONCE-A-MONTH, ONE-HOUR LESSON**

"FUN"  
Is an acronym for  
Funky  
United  
Nations

What the world needs now is a new kind of collective intelligence; a new kind of FUN for all!
